Japan Foundation Sydney invites all Japanese artists and non Japanese artists practicing Japanese art forms, residing in Australia to be apply to be part of our new directory. This new directory replaces our current Japanese Artist Directory in Australia (<http://www.jpf.org.au/jartists/directory.htm>) with a comprehensive listing of individual artists and arts organizations, and will include special featured artists.

If you or your organization would like to be part of our new directory, please fill the following form and return to:

artist2012@jpf-sydney.org by 30 November 2011

Individual artists who belong to an organization are welcome to register as part of an organization as well as an individual artist. Please simply fill out two separate forms.

Please note that all your information will be made available online via our directory except for your citizenship / visa status. Your citizenship / visa status will NOT appear in the directory, however please understand that unless you notify us of changes in your visa validity date in writing, your directory listing will be discontinued after the visa expiry date.
